

JSListPicker module - Defect #117

Better support for the webclient (dialog size/scrollbars)

08/04/2010 02:29 PM - Robert Ivens

Status:	Closed	Start date:	08/04/2010
Priority:	Normal	Due date:	
Assignee:	Robert Ivens	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Browser (if web client):			
Description			
In the webclient the dialog shows scrollbars because the form is larger than the dialog.
