

## MultiFileUploader Plugin - Defect #1238

### Broken when running through Electron

06/19/2017 04:29 AM - Scott Butler

<b>Status:</b>	Resolved	<b>Start date:</b>	06/19/2017
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>		<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>			
<b>Browser (if web client):</b>	Electron		

#### Description

Electron ( <https://electron.atom.io> ) doesn't support window.opener because of its threading model. So Servoy wrapped apps break.

In

<https://www.servoyforge.net/projects/multi-file-upload/repository/entry/trunk/MultiFileUploader/src/net/stuff/servoy/plugins/multifileuploader/utis/uploader.html>

consider something like:

```
if(window.opener)
    window.opener.location.reload();
```

or possibly a try/catch around it.

#### History

##### #1 - 06/19/2017 06:19 PM - Patrick Talbot

Don't know much about Electron, but I can certainly safe-guard window.opener, although in this case the Servoy client will not be reloaded and will not be aware of the changes (at least until a data broadcast happens).

##### #2 - 06/19/2017 07:59 PM - Patrick Talbot

- Status changed from New to Resolved

Done in v1.0.10
