

ServoyForge (the website) - Feature #152

Patch for files list default order by

09/17/2010 06:44 AM - Patrick Talbot

Status:	Closed	Start date:	09/17/2010
Priority:	Normal	Due date:	
Assignee:	Robert Ivens	% Done:	100%
Category:	ServoyForge	Estimated time:	0.00 hour
Target version:			
Browser (if web client):			
Description			
<p>Robert, can you install this little patched projects_controller.rb in SF?</p> <p>Only change is that the default order for the files list is by 'created_on desc' instead of 'filename asc'.</p> <p>I find it better because lately I had a 2 users already who downloaded the wrong version of the VelocityReport (VelocityReport-v1.2.1.zip instead of VelocityReport-v1.3.1.zip) because they clicked on the first link in the list...</p> <p>Thanks!</p>
