| Description Hi Robert, I have updated your code so a ToolTip can be shown for fields. I hope you can integrate it in future versions. Here you have the modified globals.js Thanks, Juan Antonio Santana | | | |

History

#1 - 09/25/2010 12:45 PM - Robert Ivens

- Status changed from New to Closed
- % Done changed from 0 to 100

Patch committed.
I did made some changes though:
- renamed columnsToolTips to columnToolTips
- made the tooltips optional

Thanks!
