

DnDFile Bean - Defect #23

The bean is not web compatible

06/24/2010 09:37 PM - Patrick Talbot

Status:	Rejected	Start date:	06/24/2010
Priority:	None	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Browser (if web client):			

Description

There is less hope that it will ever be, unless browser's javascript get a functional API to receive files dropped in a reliable (and multi browser/platform compatible) way.
