Description
getReplies() always returns one more row than maxCount

History

#1 - 04/26/2011 05:25 AM - Robert Ivens

Version 0.8.7 makes getReplies() return now 1 or more to many.
Also getDirectMessages() is now even more wonky than getReplies() what row count concerns.

#2 - 04/26/2011 05:40 AM - Patrick Talbot

- Status changed from New to In Progress

Should be fixed with 0.8.8

#3 - 04/26/2011 05:47 AM - Robert Ivens

- Status changed from In Progress to Closed

All works here for me. All get*() functions seem to return the correct amount :)

I know! Amazing isn't it?
I have had to subclass all the calls to tweak the returned amount of messages...
