Description

First reported here: http://forum.servoy.com/viewtopic.php?f=15&t=15996&sid=a542bca61de67864be61272dbfc08dc0&start=15

The Jasper Report bean only displays the first report it runs. Attempts to run subsequent reports result in the first report being displayed; that is, subsequent reports are not displayed, only the first report.
