

Web Client Utils - Defect #292

plugins.WebClientUtils.addCallback problem 2

05/04/2011 11:08 AM - Bogdan Udrescu

Status:	Closed	Start date:	05/04/2011
Priority:	Immediate	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Browser (if web client):			
Description			
Hi again,			
The addCallback still have problems in case the form in which is used is the first one displayed and the application use custom authentication. i.e. Login and Authentication modules.			
Thanks, Bogdan.
