

Servoy Treeview Bean - Patch #369

Latest sources are not java 5 compliant

09/06/2011 04:53 AM - Patrick Talbot

Status:	Resolved	Start date:	09/06/2011
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Browser (if web client):			
Description			
@Override annotations on interface implementation methods is not allowed in Java 5, only in Java 6.			
Please find attached a patch removing these annotations where not necessary, allowing to compile with a Java 5 target.
