- Status changed from New to Closed

v1.5.11 now has various ways of achieving that:

```
1/ you can set defaultPreviewParameters,  
var previewParams : { hScrollbar: PREVIEW.HSCROLLBAR_NEVER, vScrollbar: PREVIEW.VSCROLLBAR_NEVER };  
plugins.VelocityReport.setDefaultPreviewParameters(previewParams);
```

```
2/ you can update the viewer after it has been initialized:  
viewer.setHorizontalScrollbar(PREVIEW.HSCROLLBAR_NEVER);  
viewer.setVerticalScrollbar(PREVIEW.VSCROLLBAR_NEVER);
```

see viewer methods and PREVIEW constants
