Target version:			
Browser (if web client):			

Description

After downloading the it2be-manager.jar nothings happens after I double click the file, to test I downloaded servoy-installer.jar and that executed as expected.

History

#1 - 06/17/2012 07:01 PM - Servoy Components

Downloading works as expected from my location.
Did you check the manual?
90% chance you have the file in the wrong folder.

- Status changed from New to Feedback

You are so right, RTFM, big fail on my side. Thanks for the reply.

Regards,

Peter
