Description for the plugin version 4.0.0.b1 I need two extra libs from the 4.6.0 jasperreport libs. but I can't download anymore jasperreport 3.6.0 from the jasper site: http://community.jaspersoft.com/project/jasperreports-library/releases only 4.7.0 and 4.8.0	

History

#1 - 11/15/2012 05:06 PM - Andrei Costache

Would downloading the zip of the 4.6 project from [here](#) help?

#2 - 11/16/2012 09:03 AM - Andrei Costache

- Status changed from New to Closed

This is not an issue with the plugin itself; the libs should be available for download from the recommended location.
