Status:	Closed	Start date:	12/04/2012
Priority:	High	Due date:	
Assignee:		% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	1.5.3		
Browser (if web client):	Chrome, Firefox		

Description

I've this code:

```
var msg = "line 1<br> line 2<br> line 3<br> line 4<br> line 5<br> line 6<br> line 7<br> line 8<br>";
globals.DIALOGS.showInfoDialog('', pMsg, 'Ok');
```

The dialog is shown, but only shows the first 6 lines of the message. I've add the line:

```
globals[DIALOGS].setDialogHeight(500);
```

without success.

When are you setting the height ? Can you show me some code sample (more than one line) ?

- File *dialogs_module.jpg* added

The code I test is very simple, the function **btn_mostrar** is attached to a button:

```
function btn_mostrar()
{
    var msg = "line 1<br> line 2<br> line 3<br> line 4<br> line 5<br> line 6<br> line 7<br> line 8<br>";
    globals.DIALOGS.setDialogHeight(500);
    globals.DIALOGS.showInfoDialog('', msg, 'Ok');
}
```

I only see 6 lines (I've attached a snapshot)

#3 - 12/04/2012 07:39 PM - Robert Ivens

- Status changed from *New* to *Closed*

- Target version changed from *1.5.2* to *1.5.3*

- % Done changed from *0* to *100*

Found the issue, will be fixed in version 1.5.3

#4 - 12/05/2012 08:46 AM - Juan C. Cristobo

It works, thanks!!
