

## Dialogs module - Defect #591

### Display of "text/text/ntexttext" not working (text cutt)

12/06/2012 10:26 AM - A. Stefanoni

<b>Status:</b>	Closed	<b>Start date:</b>	12/06/2012
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>		<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	1.5.4		
<b>Browser (if web client):</b>	chrome		

#### Description

The following Text (cPathFilNam) is not displayed correct (Print\_Screen\_01075.jpg)  
cPathFilNam = "C:\\servoy\_61\_workspace\\ProzedDbStrukturAnalyseDoku\\GigDoodle\\from\\band fld.txt" + "\\n" + "nicht vorhanden"

As a workarround, I do a utils.stringReplace(cPathFilNam, '\\\\', ' '), then it is displayed correct (with the blank instead of \\, there is no text missing)  
(Print\_Screen\_01074.jpg)

#### History

##### #1 - 12/06/2012 10:27 AM - A. Stefanoni

- File Print\_Screen\_01075.jpg added

- File Print\_Screen\_01074.jpg added

##### #2 - 12/06/2012 10:30 AM - Robert Ivens

What dialog module version is this (i.e. the component version field above) ?

##### #3 - 12/06/2012 10:33 AM - A. Stefanoni

I see that the browser masks the backslashes: What I mean: 'C: \\ servoy\_61\_workspace \\ ProzedDbStrukturAnalyseDoku \\GigDoodle \\ from \\ band fld.txt' + '\\ n' + 'nicht vorhanden'

##### #4 - 12/06/2012 10:39 AM - A. Stefanoni

oh my good.... I replace the backslashes with an \* ...

```
'C:*servoy_61_workspace*ProzedDbStrukturAnalyseDoku*GigDoodle*from*band fld.txt' + '*n' + 'nicht vorhanden'
```

The Version is 1.5.2 (Sorry !)

##### #5 - 12/06/2012 11:14 AM - Robert Ivens

- Status changed from New to In Progress

- Component version changed from win xp to 1.5.2

I can make the message text a text\_area field instead of a label. This will allow it to break off the text when it doesn't fit in the dialog.  
Will implement this in next release (1.1.5 / 1.5.4)

##### #6 - 12/06/2012 12:02 PM - Robert Ivens

- Status changed from In Progress to Closed

##### #7 - 12/06/2012 12:03 PM - Robert Ivens

- Target version set to 1.5.4

##### #8 - 12/06/2012 12:38 PM - A. Stefanoni

this all is just incredible ! Just made a ticket a view minutes ago, just downloaded the 1.5.4 and it works perfect.  
great, thank you very much !

**#9 - 12/06/2012 03:01 PM - A. Stefanoni**

I have a small suggestion ( msgText = \_aArguments [ 1 ]; insted of \_aArguments [ 0 ] ) on 3 last line of

```
function setupForm(_aArguments, _slconStyle, _nDialogWidth, _nDialogHeight) {  
.....
```

```
msgText = _aArguments [ 1 ]; // old _aArguments [ 0 ]  
controller.recreateUI();
```

```
.....  
}
```

I did this in my code to make it working.

thank you and  
regards

**#10 - 12/06/2012 03:03 PM - A. Stefanoni**

I have a small suggestion ( msgText = \_aArguments [ 1 ]; insted of \_aArguments [ 0 ] ) on 3 last line of

```
function setupForm(_aArguments, _slconStyle, _nDialogWidth, _nDialogHeight) {  
.....
```

msgText = _aArguments [ 1 ]; // old _aArguments [ 0 ]  
controller.recreateUI();
```

I did this in my code to make it working.

thank you and  
regards

**#11 - 12/06/2012 05:47 PM - Robert Ivens**

Thanks. I will fix this regression.  
Please open a **new** issue when you find something else.
