Alternative CSS for webclient - Feature #636

Date picker doesn't match the styling of everything else.

Description

As per summary, the date picker used by Servoy doesn't match the styling of everything else. Is it possible to adjust the colors at least? Not sure whether this is overridable or not.

Thanks!

Is it possible to adjust the colors at least? Not sure whether this is overridable or not.

It requires a few more moving parts than the straight up alternative css, but here is how we have customized the date picker:
Hacking Servoy's Calendar Picker.

yup, that's the way todo it, we tried doing the standard way, but that is a no-go
