

Alternative CSS for webclient - Defect #669

table header alignment is still an issue

03/22/2013 01:15 PM - Maarten Berkenbosch

setting border spacing to 0px "seems" to fix it.

```
.tableviewcell {  
width: 100%;  
height: 100%;  
position: relative;  
border-spacing: 0px 0px;  
}
```
