- Status changed from New to Resolved

Corey,

Thanks for the patch!

I have committed a cleanup based on your patch, please check if I have included everything.  
I think it was only organize-imports and skip fetching unneeded service in initialize (which will fail in smart client anyway).

Regards,  
Rob

**#3 - 10/03/2013 07:46 PM - Corey Puffalt**

Yes, I think you got everything. Thanks for applying so quickly.
