- *Status changed from New to In Progress*

Can you please first update to 3.5-255 and check again.
I do not see the issue with my install.

#2 - 11/06/2013 10:10 AM - Hans Nieuwenhuis

Aaaaah, sorry

The servoy application server I used was in enhanced security mode and the call to `plugins.it2be_tools.server().hostname` was done in the login solution.

So it is my mistake.
But maybe You can give a warning when tis happens...

Regards,

Hans
