

MultiFileUploader Plugin - Feature #812

Close button

05/20/2014 11:59 AM - peter degroot

Status:	New	Start date:	05/20/2014
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Browser (if web client):	IE, FireFox		
Description			
Is it somehow possible to disable the close button on the top right of the window because, when a user uploaded his documents and the clicks the close button instead of the Done button the callback function is not triggered.			

History

- Priority changed from High to Normal

Please don't set the priority to 'high' on a feature unless you are prepared to sponsor it.
It should be possible to block the close button, yes, not high on my priorities by any mean though.
