

ServoySecurity - Defect #94

Add file download tab with download file(s)

07/19/2010 07:47 AM - David Workman

Status: Resolved	Start date: 07/19/2010
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	
Browser (if web client):	
Description The major problem with subversion + a Servoy solution is that you don't get the data (at all) or database setup (without jumping through hoops) associated with the solution. Can we add a files tab to this project with a .servoy import file for download?
